## MISSION STATEMENT

The Beverly Heights Christian Preschool exists to provide a distinctively Christian school experience. We offer a Kindergarten Enrichment program in a Christian setting. Activities are planned and carried out by qualified, loving, Christian teachers. We strive to provide a setting where children develop mentally, physically, emotionally, socially and spiritually, much as the child Jesus “increased in wisdom and in stature.”

## AFFILIATION

The Beverly Heights Christian Preschool is a ministry of Beverly Heights Church, and as such is a non-profit organization. It is governed by a Board, comprised of church members, that is responsible to the Session of the church. BHC Preschool is a member school of the Association of Christian Schools International (ACSI).
